

## Someone wants to get to know you!

Sponsored friends are filled with gratitude, but they're also filled with curiosity about who their sponsors are!

Help satisfy that curiosity by writing to our parish-sponsored friend. It's simple.

Here are a few things you can share about in your letter:

- Your family and pets
- Your occupation and hobbies
- What the climate is like where you live
- What you want to know about your sponsored friend
- Why you chose to sponsor your friend

Write on the letter or card:

Mariangel,  
Antioquia FG,  
1022731

Write on the outside of the envelope:

Mariangel  
Fundacion Unbound Proyecto Antioquia  
Medellin, Antioquia  
Columbia, S.A.

Still not sure what to write?

No worries. Simply send a photo with a short note of encouragement to let your friend know you're thinking of them.

**The relationship between a sponsor and a sponsored friend is something wonderful, especially when you get to know each other. We hope you do!**

Dear St. Ignatius of Loyola,

This is Efraín, María Angélica's father, and I send you a warm greeting. I wish you success and blessings in your daily labor.

I want you to know that my daughter is in the first grade. The subject she likes the most is mathematics. She likes reading and is already learning to read. She doesn't like drawing very much.

I want to share with you that the contribution she receives has been helpful since she uses it to buy her clothes, shoes, and school supplies.

I also want to inform you that the weather here is mild, but it has been hot these days. It doesn't stop her from going out to play soccer, which is what she likes a lot.

Please, tell me how your health is and how your family is. What is your favorite hobby? What do you do for a living?

Lately, she has been in bad health and had a fever and the flu. Thank God, she is recovering and her mother was also in a bit of bad health.

Sincerely,

María Angélica and her father

I wish you blessings once again.
